Eid Mubarak, Happy Raksha Bandhan &
Greetings on our Independence Day-2019

We are indebted to all our Partners and Patrons on
many auspicious occasions this month, when we have
completed a major task of nearing 500 Members for
our Consortium by 15th August 2019. God willing, we
would complete the task in near future after a lot of
ups and downs on its way. We thank all of you for
your constant help and cooperation to expand our
Network farther across the length and breadth of
this country to achieve the set targets of 17 SDGs by
2030 without fail.

With this issue, we solicit your continued help &
support to extend it further in requesting your
known CSOs across India to be enrolled as new
members of VIKASH-SAMUKHYA during the coming
months. In this way, you can very well support our
Consortium to reach greater heights in near future
when we can possibly cross the milestone of reaching
500+ CSOs.

Look forward to getting your uninterrupted support
& goodwill for next one year and beyond.

Let us push the Civil Society Movement forward
adding a just voice to the voiceless of India for its
