VIKASH-SAMUKHYA, a consortium of 505 CSO partners in India observed the UHC Day on 12th December 2019 by organizing two high-level interactive panel discussions in Delhi, as a part of a National Convention, participated by the members of its parent organization, AIHMS-Global and other local partners (International Institute for Human Development & Institute for Global Development) as well as representatives drawn from UN agencies, public and private sectors, academia, corporate houses, media and civil society organizations.

The keynote address has been delivered by Prof (Dr) S. K. Mishra, Founder & Director of AIHMS-Global by presenting all aspects of UHC2030 since 2012 and the objectives of this convention with a clear message on “health & wellbeing for all by engaging all,” which should form the basic principle of all future health policies, programs and practices all over India contributing to the set-targets of SDG-3.8. The two panels covered the challenges and prospects of Universal Health Coverage programs in different parts of India since 2015, and centered around the following:

**Panel-1: What promises were fulfilled in the UHC pathway contributing to SDG-3 so far? Are we on the right track on?**
- Strengthening infrastructure
- Public Health workforce and technologies for healthcare delivery
- Resource gaps & shortfalls in achieving the set targets
Panel-2: How can Universal Health Coverage Become a Reality in India by 2030?

- Innovations and technological cooperation
- Role of Private sector, CSR and Civil Society Organisations
- Local Financing for the Global Agenda

VIKASH-SAMUKHYA was supported by UN-Global Compact Network India (UN-GCNI) and AIHMS-Global to organize this convention successfully at SCOPE Convention Centre, New Delhi (India) on 12th December 2019 from 9 am to 5 pm (IST). The discussion points along with the suggestions and recommendations have been duly recorded for its presentation to the stakeholders later in another dissemination workshop to be organized in March 2020. The rest of the program on UHC-DAY at New Delhi was carried out as per the following agenda on the next page.

Apart from the above, many CSO Partners of the Consortium also celebrated the UHC-DAY in their respective project areas in different states of India; some of those activity photos have also been received by us. Hence, VIKASH-SAMUKHYA is bringing out a Special Edition of its monthly E-Newsletter “PARTNERS PAGE” on 25th December 2019 about the UHC-DAY celebrations in India, which will be circulated to all participants, sponsors, stakeholders, partners and patrons by end of this year.
