Greetings on Car Festival of Lord Jagannath & Co at Puri, Odisha (India)

We convey our Best Wishes to all of you on this auspicious occasion, when we have completed the first successful year of our “PARTNERS PAGE” last month, which started in June 2018 after a lot of brainstorming on its shape and size. We sincerely thank all of you for your constant support and encouragement to expand our Network farther across the length and breadth of this country.

Now we solicit your continued support to continue the journey further in requesting your contacts across India to be enrolled as new members of VIKASH-SAMUKHYA during this year although we are almost full at this time. In this way, you can support your Consortium to reach to the top with 500+ CSO Partners in near future.

Look forward to getting your continued support & goodwill in the current financial year, 2019-20.
